Mark Jacoby, Gompers' Executive Director, stated, "For years we have seen first hand the incredible talent just waiting to be realized within the clients we serve. Through the Artful Minds program at Gompers Center, our clients have found artistic outlets to express themselves and the end results are extraordinary works of art that have been captured in these spectacular reproductions. The note cards are of exceptional quality and are the first in a long line of wonderful cards to come representing some of the most talented artists we've ever seen."
